

CE Announcement

Title – “Introduction to Homeopathic Medicines for Veterinary Pharmacists”

Date and Time of CE Activity – August 14th, 2024

Location, including city and state – Live Webinar

Overview – Homeopathic medicines have been used for over 200 years in humans, plants, and animals. They have been recognized as drugs by the FDA since 1938 and are easily accessible over the counter in all markets. The use of homeopathic medicines continues to grow in popularity, yet many misconceptions still circulate about their efficacy and safety. Many pharmacists lack training on homeopathic medicines, but pharmacists have an obligation to be well-informed about the strengths and limitations of these drugs. The purpose of this knowledge-based activity is to describe the basic principles of homeopathy and review best practices for the safe and effective use of homeopathic medicines in humans and animals.

Overall Activity Goal - The goal of this activity is to enhance pharmacists’ proficiency in delivering patient-centered care through appropriate awareness of the safe and effective use of homeopathic medicines.

Target Audience – This activity is primarily intended for pharmacists from all practice settings. No prerequisites required.

Learning Objectives – The University of Tennessee College of Pharmacy takes responsibility for the content, quality, and scientific integrity of this CPE activity.

Following completion of this activity, the participant (pharmacist) should be able to:

Pharmacists and Pharmacy Students:

1. Compare allopathic and homeopathic views of disease and treatment.
2. Describe the regulatory status and manufacturing process of homeopathic medicines.
3. Paraphrase best practices for the safe and effective use of homeopathic medicines in human and veterinary patients.
4. Review top homeopathic medicines for common conditions.

Continuing Education Information – The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Successful completion of this knowledge-based activity will provide a statement for 1 contact hour of credit (0.1 CEU) and will be available within 30 days of activity completion. Successfully completing the activity and receiving credit includes: 1) reading the learning objectives and faculty disclosures; 2) participating in the educational activity; 3) evaluating the activity via utcop.learningexpressce.com within 14 days of the scheduled activity date. UAN: 0064-9999-24-099-L/H01-P. CE credit will be submitted to the NABP CPE monitor upon completing the evaluation and CPE claim. *It is recommended that you check your NABP CPE Monitor e-profile database 30 days after the completion of any CE activity to ensure that your credits are posted.*

NABP e-PROFILE ID NUMBER: Pharmacists with questions regarding their NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website: <https://nabp.pharmacy/cpe-monitor-service/cpe-monitor-FAQs/>. To receive credit for your participation in this activity, all pharmacists must include their **CORRECT** NABP e-Profile ID number, along with their month and date of birth. If incorrect information is provided, this will result in “rejected” status from the CPE Monitor. *It is the responsibility of the participant to notify The University of Tennessee (within the 60-day submission timeframe) of their corrected information. Otherwise, the completed CE will not be accepted by the CPE Monitor.*

Type of Activity: Knowledge

Fee Information: Free

Full Disclosure Policy Affecting CPE Activities – As an accredited provider by the Accreditation Council for Pharmacy Education (ACPE), it is the policy of The University of Tennessee College of Pharmacy to require the disclosure of the existence of any significant financial interest or any other relationship a faculty member or a sponsor has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. The Course Director and Participating Faculty reported the following:

Participating Faculty: Dr. Meagan Garza

Relevant financial disclosures: Dr. Garza reported receiving honoraria from Boiron USA. All financial disclosures have been mitigated.

How to earn credit – Participants must complete the activity as described above in the Credit Designation Statement. In accordance with ACPE Criteria for Quality, the audience is advised that authors in this CPE activity may include reference(s) to unlabeled, unapproved, or investigational uses of therapeutic agents or biomedical devices. The presenters will inform

the learner when they discuss or reference an unapproved, unlabeled, or investigational use of a therapeutic agent or biomedical device.

Disclaimer Statement – The opinions and recommendations expressed by faculty and other experts whose input is included in this activity are their own. This activity is produced for educational purposes only. Use of The University of Tennessee College of Pharmacy name implies review of educational format, design, and approach. Please review the complete prescribing information of specific drugs or combinations of drugs, including indications, contraindications, warnings, and adverse effects, before administering pharmacologic therapy to patients.

Computer requirements: The broadcast will occur from a zoom webinar. Participants will need computer/tablet/or handheld device that includes an internet connection, speakers, microphone, and webcam. Supported browsers include: Windows: Edge 12+, Firefox 27+, Chrome 30+ macOS: Safari 7+, Firefox 27+, Chrome 30+ or Linux: Firefox 27+, Chrome 30+. Processor and RAM requirements include: Processor and RAM requirements: single-core 1Ghz or higher and recommended RAM 4 Gb. Bandwidth requirements: For high-quality video: 1.0 Mbps/600kbps (up/down).

Grievance Policy – A participant, provider, faculty member, or other individual wanting to file a grievance with respect to any aspect of an activity provided or co-provided by The University of Tennessee College of Pharmacy may contact the Director of Continuing Professional Development at jwheele4@uthsc.edu. The grievance will be reviewed, and a response will be returned within 45 days of receiving the written statement. If not satisfied, an appeal to the Dean of the College of Pharmacy can be made for a second level review.

Activity – The following is an educational activity designed to help you gauge your basic knowledge of the topic and then direct you to areas you may need to focus on. It consists of an introduction, activity, and self-assessment via cases.

Schedule:

Activity Overview and Goals
Presentation
Self-Assessment Activities
Discussion and Questions
